Dear Kevin, Amy and Mary,

I have gone through your comments and added them in the attachment. Unfortunately not everything was legible and I made my best guess or asked a question for clarification.

If you could review tomorrow and let me know what I missed, that would be great.

I am checking with Roger regarding the Use of Name Article, but should have an answer sometime tomorrow.

I should be around all day tomorrow, so feel free to call so we could hopefully?? finalize????

Thanks,
-L
